She began her activities on 7 September 2017 as the founding member of Hololive Production. Because she debuted before Hololive was officially formed, she is considered a member of the "0th generation" alongside Roboco, Sakura Miko, Hoshimachi Suisei, and AZKi. She signed a record deal with Victor Entertainment in March 2019.[2] Tokino Sora began her affiliation with Cover Corporation before the concept of Hololive existed.[3] In 2017, the concept of a virtual Youtuber was still largely untested, with the only examples of precedent being Kizuna AI who started posted pre-recorded videos in late 2016. Virtual live streaming had been showcased by Cover Corporation in a March 2017 tech demo, but was still under development and had not yet been implemented on a large scale.[4] On 7 September 2017, Tokino Sora held her first livestream, and thus began her activities as a virtual idol. Her initial livestream on Niconico was alleged to have 13 viewers.[5] - Official website - SoraCh. ■■■■■■■■■■■■'s channel on YouTube - v - t - e - Tokino Sora - Hoshimachi Suisei - Natsuiro Matsuri - Akai Haato - Usada Pekora - Houshou Marine - Mori Calliope - Gawr Gura - HoloCure – Save the Fans! - Idol Showdown - VTuber - Livestreaming - MusicBrainz - Hololive Production - Japanese YouTubers - YouTube channels launched in 2017 - Living people - CS1 Japanese-language sources (ja) - CS1 uses Japanese-language script (ja) - Articles with short description - Short description matches Wikidata - Wikipedia articles in need of updating from April 2024 - All Wikipedia articles in need of updating - Articles containing Japanese-language text - Official website not in Wikidata - Articles with MusicBrainz identifiers - Year of birth missing (living people) - This page was last edited on 8 June 2024, at 12:13 (UTC). - Text is available under the Creative Commons Attribution-ShareAlike License 4.0; additional terms may apply.
