Her concept was conceived by hololive's parent company, COVER Corporation, and her design and videos were produced by Composition Inc. Previously under hololive production's label InoNaka Music, she was transferred to the main hololive branch on 1 April 2022 and officially became a part of "hololive 0th gen" alongside fellow solo debutants: Tokino Sora, Roboco-san, Sakura Miko and Hoshimachi Suisei. - 1 Introduction Video - 2 Profile - 3 Personality - 4 Appearance - 5 History 5.1 Background 5.2 2018 5.3 2019 5.4 2020 5.5 2021 5.6 2022 5.7 2023 5.8 2024 - 5.1 Background - 5.2 2018 - 5.3 2019 - 5.4 2020 - 5.5 2021 - 5.6 2022 - 5.7 2023 - 5.8 2024 - 6 Discography - 7 Events - 8 Mascot and Fans - 9 Relationships - 10 Trivia - 11 External Links 11.1 Media 11.2 Twitter hashtags 11.3 Further readings - 11.1 Media - 11.2 Twitter hashtags - 11.3 Further readings - 12 References - 5.1 Background - 5.2 2018 - 5.3 2019 - 5.4 2020 - 5.5 2021 - 5.6 2022 - 5.7 2023 - 5.8 2024 - 11.1 Media - 11.2 Twitter hashtags - 11.3 Further readings ■■■■■■■■Just Be Friends -piano.ver- ■■■■■■ AZKi■■■■■ AZKi's introduction. A diva who became reborn into the virtual world in order to fabricate a new world. No matter the time, place, or position, she warps through all the barricades with her dazzling talent.[3] Apart from singing, she likes to do ego-searching and browsing the internet.[4] She also regards herself as a person with persistence that keeps putting effort on her abilities. She is very kind and is always there to comfort her fellow members when they're upset. She has very great singing abilities, and she has a very large vocal range, similar to the 4th generation member Amane Kanata. Despite of the diva image and vibe she gives AZKi actually has a playful and mischievous personality, which made her doing things that surprise others: such as using "Kono Yarou" (■■■■■) on her close friend Tokino Sora when the latter accidentally pranked her, the word roughly means "you bastard" in English. She has long dark hair with pink streaks and pink underneath and light purple eyes, with a floral themed hairpin. She wears a long right dress with the skirt partially being pink and a light beige half jacket on one side. She has dark boots with pink triangle shaped zippers. Her channel was created on 5 November 2018, also joining Twitter this month, she debuted on YouTube with a cover of song Just be Friends on 15 November.[5] On 28 December, she debuted her first original song "Creating world."[6] On 14 February, she started to be represented by the agency of Virtual Talents upd8 along with Yoruno Neon.[7] On 19 May, she held her first live concert named The Shitest Start. During the live event, she announced that she would be joining Inonaka Music a music label under hololive alongside Hoshimachi Suisei.[8] At the end of the live, she announced her second concert named A GOODDAY TO DiE which was held on 27 July. On 26 May, she debuted her second 3D model during a stream.[9] On 12 November, she released her first full album "without U." On 24 January along with the other hololive girls up to the third generation, she debuted an idol outfit that matches with the rest of the girls at hololive's 1st fes. Nonstop Story. She used an exclusive black version of the dress with vest variant.[10] On 18 March, she reached 100,000 YouTube subscribers.[11] On 23 September, she reached 200,000 YouTube subscribers. On 1 December, she released her second full album "Re:Creating world."[12] On 6 December, AZKi held her sixth live concert "Re: Creating world" named after her second full album.[13] On 21 December, AZKi participated on stage 1 of "hololive 2nd fes. Beyond the Stage."[14] On 25 January, she reached 300,000 YouTube subscribers.[15] On 20 February, hololive's Twitter account announced that AZKi would get her third 3D model.[16] On 23 February, AZKi debuted her third 3D model during a concert on her

YouTube channel.[17] During her 7th live concert "Stand at the crossroads" on 11 April, AZKi revealed that AZKi Project was meant to end on July 2022. However, there are still many dreams she'd like to pursue that she wants to move beyond that end goal, going "from Route Alpha to Route Beta." Exactly what this entails is yet to be explicated. She also reached 400,000 subscribers in her YouTube channel during this concert.[18] As a part of her birthday celebration, AZKi held a concert with Tsunomaki Watame and Momosuzu Nene on 3 July where she also debuted an updated version of her second costume, more in line with her third costume's visual style.[19] On 14 August, she reached 500,000 YouTube subscribers, making her the 41st hololive member to reach this milestone. She is also the last one of the Gen 0 to achieve it.[20] On 29 December, hololive's Twitter account announced that AZKi would be transferred to the main hololive branch in April 2022. A few hours later, AZKi made a post on her Twitter account explaining her transfer and thanking everyone for the three years so far, confirming the dissolution of INoNaKa MUSIC. Various hololive members welcomed her into the main branch, hoping to work together with her in the future.[21][22] On the same day, her manager Tsuranimizu announced their retirement for the same reason.[23] On 20 February, AZKi made her first appearance in "holo no graffiti." This is important as previously she only made small cameo appearances, unlike other members that were featured shortly after they debuted their 3D models.[24] On 1 April, AZKi officially transferred to the main hololive branch. She posted an account of her feelings on the closing of INNK Music at noon of the previous day[25] and posted a greeting towards her future in hololive the morning after.[26] On 4 April, AZKi reached 600,000 subscribers on YouTube.[27] On 25 August, as part of the "hololive Summer 2022" event, AZKi debuted both her 3D yukata and her 3D swimsuit.[28] Like other 3D costumes the yukatas have a variety of styles that hololive members can choose from. The yukatas come in various colors and patterns including fireworks, flowers and goldfish.[29] Unlike the original swimsuits from 2019 that had individual designs, these swimsuits are meant to be matching outfits similar to the 3D idol costumes. The swimsuits come in two types one with thin straps for the top and a diagonal cut mini skirt and the other one has ruffled straps in the top and an even mini skirt. Both versions are white with various patterns including hololive's and Hololive's logos, hearts and sparks. The swimsuits are personalized by including different colors to match each talent. Additionally they have the option to wear a hoodie.
