She began posting videos as an independent creator in March 2018. In May 2019, she became affiliated with Hololive Production through their newly created music label, INoNaKa Music, before joining the agency's main branch later the same year.^{[3][4]} Her YouTube activity consists primarily of live streaming herself singing karaoke, playing video games, talking to her fans, or collaborating with other talents. She is particularly well known among fans for her skill at Tetris and her singing ability.^{[5][6]} As of March 2024, she has 2.11 million subscribers and 731 million views on YouTube. As a singer, she released a digital single "Next Color Planet" in March 2020, which peaked at 5th on the Oricon daily digital single ranking, and another, "Ghost", in April 2021, which peaked at 1st. Additionally, her first album, "Still Still Stellar", was released on 29 September 2021, and peaked at 5th on the Oricon daily album ranking, the highest ever solo VTuber album performance. Outside of her streaming and musical activity, she has appeared on Japanese television and radio programs as a virtual personality. Hoshimachi Suisei created her YouTube channel on 18 March 2018^{[7][8]} and revealed her initial character design and model, illustrated and rigged by herself, on Twitter that same day.^{[9][10]} She posted her first video to YouTube on 22 March 2018, debuting as an independent virtual YouTuber and self-proclaimed idol.^{[6][11]} She joined the VTuber agency S:gnal on 2 July 2018, but left a month later on 4 August.^[12] She released her first original song, "Comet", on 22 November 2018,^[13] and her second, "Tenky, Suisei wa Yoru o Mataide" (), on 22 March 2019, both as YouTube music videos.^[14] On 19 May 2019, Hoshimachi joined Hololive Productions via INoNaKa Music (), its newly created music label, with VTuber AZKi.^{[15][16]} She announced on Twitter on 28 November 2019 that she would be transferring to the all-female Hololive agency.^[4] Cover Corp., Hololive's parent company, also officially announced the transfer on 29 November, to be carried out on 1 December. Hoshimachi also received a new Live2D model^[17] built by Live2D animator rariemonn^[18] based on an updated character design by Teshima Nari.^[19] In October 2019, Hoshimachi started live streaming on bilibili. After her 3D model's debut concert on 1 March 2020, her popularity on the site grew tremendously. This stream garnered over tens of thousands of live viewers on bilibili. On 17 March 2020, her number of jiǎnzhuāng (, or "captains", viewers who donate over 198 renminbi to a particular streamer every month), surpassed 1,000, over 700 of whom joined during the aforementioned concert. She was the fourth streamer and first VTuber on the platform to reach that milestone.^[5] Hoshimachi performed in the "Hololive 1st fes. Nonstop Story" concert at the Toyosu PIT on 24 January 2020 with every member of Hololive at that time.^[20] She reached the 100,000 subscriber milestone on YouTube on 31 January 2020.^[21] On 1 March 2020, Hoshimachi debuted her 3D model, created by Yatsurugi.^{[22][23]} This stream was watched by 55,000 live viewers and its associated Twitter hashtag was at one point the top trending hashtag in the world.^[24] On 22 March 2020, Hoshimachi
